Business Environment

Financial Year 2021-22 was a year of come-back, as the entire world seemed to have come out of the pandemic-led disruptions despite few ongoing challenges. The calendar year 2021 proved to be a strong for Indian equities with 24% return, which is the highest in the last four years especially on the back of low base, strong economic recovery post both first and second wave

as well as favourable macro factors i.e. low inflation, lower interest rates and increased business activities backed by calibrated opening of markets. Global growth registered 5.5% in CY2021 and estimated to grow 4.1% in CY2022. In March 2022, US Fed raised its key short-term rate from near zero by a quarter percentage point.

The growth in India's real GDP is estimated to grow by 8.9% in FY 2021-22 as compared to contraction of 6.6% in 2020-2021. FDI flows were strong at US\$83.5bn in FY22, driving India's forex reserves to all time high of US\$ 607.31 billion by the end of FY 2021-22, against US\$ 580 billion by the end of FY 2020-21. The Reserve Bank of India (RBI), and the central and state governments provided critical support to the economy during the crisis. RBI maintained supportive monetary policy, kept repo rate unchanged to 4%. RBI maintained liquidity surplus through various monetary measures to keep funding market easy.

Indian Equity markets performed well. Nifty delivered 19% return in FY22, Commodity sector was winner in FY22 with Nifty Metal gain 62% in FY22, followed by Nifty energy which was up 42%. Equities are under pressure in the first three months of 2022 due to hawkish stance by global and domestic central bankers. Yields have shot up across the globe and substantial liquidity absorption is already under way. However, first three months of 2022 has been impacted significantly due to geo-political tension and rising commodity prices. FPI remained net sellers for seven months to March 2022, withdrawing a massive net amount of Rs.1.65 lakh crore from equities. The ongoing geopolitical environment following Russia's invasion of Ukraine also weighed on FPI's buying sentiment. Strong SIP book attracts equity oriented funds received net inflow of Rs.1.64 lakh crore in 2021-22.

IIP grew 11.3% as against an 8.4% contraction in FY21. CPI Inflation during FY 2021-22 averaged 5.5%, 50 basis points below the upper limit of the RBI MPC's inflation band, and lower than 6.2% for FY 2020-21. The average annual price of Brent crude oil climbed to US\$100.3 per barrel as of March 2022, in the wake of an energy supply shortage that began gripping Europe in late 2021, as well as concerns over oil supply bottlenecks following the Russia-Ukraine war. India's 10year Bond yield saw high of 7.4% and low of 5.9%. US 10year Treasury yield touched 2.37% as on 31st March 2022 from its low 1.2% in July Month 2021.

Future Outlook - Equity

Helped by strong liquidity pumped-in by RBI and several steps from the government post-Covid, Indian economy showed smart recovery and grew by 8.7% in FY 21-22. Nifty -50 index representing large cap stocks clocked around 19% return over FY 21-22 while indices representing mid-cap and small-cap stocks have shown even better returns.

Looking into the year from quarterly perspective, while first two quarters were extremely good, last two quarters of FY 21-22 were not so good for the equity markets worldwide as led by the US markets, a world-wide correction started in October, 2021. The decline was triggered on account of a fear of swift withdrawal of liquidity by central banks. Euphoric valuation of several e-commerce and tech stocks and a surge in crude and commodity prices worldwide further spooked the markets. Situation worsened further with deteriorating geo-political situation which ultimately escalated into protracted Russia-Ukraine war.

Outlook for the current financial year FY22-23 remains subdued somewhat as central banks continue their fight with inflation; something not seen in the past several decades. While in the US, inflation hit a 41-year high at 8.5%, in India CPI rose to 8-year high 7.79%, a figure well beyond RBI's tolerance levels. Russia-Ukraine war has further accentuated supply disruptions and surge in several commodity prices including wheat and fertilizers. Backed by continued economic reforms and a revival in the capex cycle Indian economy is expected to grow around 7.2% as per RBI estimates.

In the backdrop of recent corrections, overall valuation of the market has become somewhat reasonable and some sector are offering attractive risk-reward opportunities. Overall, we expect Indian economy will continue to face

global headwinds of inflation, high crude prices and on the domestic side rising trade deficit will continue to be a drag on fiscal situation.

in FY-22-23, Indian equity markets may not repeat the super-normal returns of the past year and overall returns may remain subdued.

Future Outlook – Debt

Yields have spiked in the last quarter of FY22 in line with global yields due to high inflation, geopolitical crisis, supply side bottlenecks, large fiscal borrowing and worsening macro-economic situations.

Outlook 2022-23

Heightened uncertainty surrounds the inflation trajectory, which is heavily contingent upon the evolving geopolitical situation. Global commodity price dynamics are driving the path of food inflation in India, including prices of inflation sensitive items that are impacted by global shortages due to output losses and export restrictions by key producing countries. International crude oil prices remain high but volatile, posing considerable upside risks to the inflation trajectory through both direct and indirect effects. Core inflation is likely to remain elevated in the coming months, reflecting high domestic pump prices and pressures from prices of essential medicines. Renewed lockdowns and supply chain disruptions due to resurgence of COVID-19 infections in major economies could sustain higher logistics costs for longer.

As regard the outlook for domestic economic activity, the forecast of a normal southwest monsoon brightens the prospects for kharif production. The recovery in contact-intensive services is expected to be sustained, with the ebbing of the third wave and the growing vaccination coverage. Investment activity should get an uplift from robust government capex, improving capacity utilisation, stronger corporate balance sheets and congenial financial conditions. On the other hand, the worsening external environment, elevated commodity prices and persistent supply bottlenecks pose formidable headwinds.

RBI has started withdrawal of accommodation and increased the policy repo rate by 40 bps in an off cycle meet on 4th May 2022. We expect the yields to remain at elevated levels due to high inflation, higher CAD, continuous FPI outflows, large fiscal borrowings, supply side issues and expected rate hikes by RBI, FED and other central banks.

Report on the Audit of Financial Statements

Opinion

We have audited the accompanying Financial Statements of the Schemes as mentioned in 'Annexure A' (Collectively "the Schemes") of IDBI Mutual Fund, which comprises the Balance Sheets as at March 31, 2022, the Revenue Accounts and the Cash Flow Statements for the year/period then ended and notes including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial statements of the Schemes give the information required by the Securities and Exchange Board of India (Mutual Funds) Regulations, 1996 and amendments thereto ("the Regulations") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

- a. in the case of Balance Sheets, of the state of affairs of the Schemes as at March 31, 2022;
- b. in the case of the Revenue Accounts, of the surplus / deficit, as the case may be, for the year/ period ended on that date; and
- c. in the case of the Cash Flow Statements of the cash flows for the year / period ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) issued by the Institute of Chartered Accountants of India ('ICAI'). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Schemes in accordance with the 'Code of Ethics' issued by ICAI together with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Emphasis of Matter

We draw attention to Note 30 of Schedule 8 to the financial statements, on the uncertainty of net flows into the schemes and valuation of investments in future due to the continued outbreak of COVID-19.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We tested the controls on a sample basis, set up by the Management on the existence and valuation of Investments.

Valuation of Investments is required to be in compliance with the valuation policy as approved by the Board of Directors of IDBI MF Trustee Company Limited ("the Trustee Company") and the IDBI Asset Management Limited ("the AMC") in compliance with SEBI Regulations and Guidelines.	We tested the existence of the Investments by obtaining and reconciling the confirmations of the holdings from following sources: <ul style="list-style-type: none"> ● Custodians of the Schemes ● Reserve Bank of India ● Clearing Corporation of India Limited We agreed the holdings as per the above confirmations with the Scheme's accounting records. We reviewed the reconciliations for the cases where differences were observed, if any.

Information Other than the Financial Statements and Auditors' Report Thereon

The Board of Directors of "the Trustee Company" and "the AMC" are responsible for the other information. The other information comprises the information included in the Trustee's Report, but does not include the Financial statements and our auditor's report thereon. The Trustees' report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance, conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information referred to above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Trustees' Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Financial Statements

The managements of the Trustee Company and the AMC are responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Schemes in accordance with the accounting principles generally accepted in India, including the accounting policies and standards specified in the Ninth Schedule to the SEBI Regulations. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the SEBI Regulations for safeguarding the assets of the Schemes and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management and Board of Directors of "the Trustee Company" and "the AMC" are responsible for assessing the Scheme's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Scheme or to cease operations or has no realistic alternative but to do so.

The Board of Directors of the Trustee Company and the AMC are also responsible for overseeing the Scheme's financial reporting process.

Auditors' Responsibility for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of the audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Scheme's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Scheme's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Scheme to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with the relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Regulation 55 and Clause 5(ii)(2) of the Eleventh Schedule of the SEBI Regulations, we report that:

- We have sought and obtained all the information and explanations which, to the best of our knowledge and belief were necessary for the purpose of our audit;

- The Balance Sheets, Revenue Accounts and Cash Flow Statements dealt with by this Report are in agreement with the books of account of the respective Schemes; and
- In our opinion, the Balance Sheets and Revenue Accounts dealt with by this report have been prepared in accordance with the accounting policies and standards as specified in the Ninth Schedule to the SEBI Regulations.

As required by the Clause 2 of the Eighth Schedule of the SEBI Regulations, we report that:

- In our opinion, and on the basis of information given to us, the valuation of the non-traded securities as on March 31, 2022, where applicable, are in accordance with the SEBI Regulations and valuation methods based on the principles approved by the Board of Directors of "the Trustee Company" and "the AMC" and are fair and reasonable.

In this regard ICRA, an independent Rating Agency had downgraded the rating of Yes Bank Ltd. from BBB- to Default (D) on March 06, 2020. Accordingly based on the valuation received from independent valuation agencies, the value of the perpetual bonds issued by Yes Bank Limited (Yes Bank 09.00% (Perpetual BASEL III compliant Additional Tier I) 18-Oct-2022) was marked down to Zero as on March 06, 2020 and the Principal and Interest amount due on this security was fully written off. IDBI Index Fund also held 99,927 Yes Bank Equity Shares. However, the Yes Bank Limited Reconstruction Scheme, 2020' ("Scheme") approved by the Central Government was notified in the Official Gazette on March 13, 2020 and came into force from the same date. According to Sub-clause 8 of Clause 3 of the Scheme there shall be a lock-in period of three years from the commencement of this Scheme to the extent of seventy-five per cent in respect of - (a) shares held by existing shareholders on the date of such commencement; (b) shares allotted to the investors under this Scheme. Provided that the said lock-in period shall not apply to any shareholder holding less than one hundred shares. In terms of the said Clause, 75% of the shareholding of the shareholders holding 100 or more shares will be automatically under the lock-in. In this regard IDBI MF has blocked the quantity as follows:

IDBI Nifty Index Fund	99,927	74,946	19.15	11.69	16.83

As per the AMFI instructions the blocked quantity of shares have been valued at "zero" after considering 100% illiquidity discount on the last traded price. The impact on the same was -0.16%. Any realization post the lock-in period shall be distributed to those investors who were impacted due to application of 100% illiquidity discount.

7. The Coronavirus Disease 2019 (COVID 19) which has been declared a global pandemic on 11th March, 2020, by the World Health Organization continues to spread across the globe including India, resulting in significant volatility in financial markets and a significant decrease in economic activities all over the world including India. India has cautiously dealt with pandemic during the second wave and quite successful in managing the situation during third wave. Further steps are being taken by the government to keep the situation under control. However the effect of these diseases is likely to be there for quite some time and the economic situation continues to be uncertain as also impacted by recent geopolitical events.

The valuation of the Schemes' investments as at March 31, 2022 has been made in accordance with the Significant Accounting Policies, which are in compliance with the guidelines prescribed by SEBI/AMFI. However, given the dynamic nature of the pandemic situation and the various relief measures announced by the Government and regulatory bodies, especially the moratoriums being offered by Banks/Financial Institutions, the ultimate realisability of such investments is subject to significant uncertainty. This may have an effect on the valuation depending on the severity and duration of the outbreak. In the event the impact is prolonged or more severe than anticipated, this may have a corresponding impact on the realizable value of the investments.

8. The unitholders, if they so desire, may request for the annual report of the AMC.

IDBI AMC supports an independent Board of Directors, and prefers that key committees such as Audit, Nomination & Remuneration, Stakeholders relationship, HR & Compensation committees etc. are comprised of Independent Directors. IDBI AMC will generally support proposals having an optimum mix of Board Members and having women directors on Board. While deriving the optimum mix, nominee Directors shall be considered as a non-independent Director. Further separation of Chairman and CEO positions shall be supported by IDBI AMC.

While the Act provides for that the director should have been present in at least one meeting during the financial year. IDBI AMC prefers that a director should have attendance of at least 50%. However the same shall not be the sole criteria for arriving at a voting decision. Further, the attendance criteria would not be considered in case of directors who have been appointed during the year or part of the year (for the year of appointment only). IDBI AMC may consider ratification of appointment of auditors, if it has been approved by Audit Committee of the Investee Company that the auditors meet the applicable composition and independence requirements.

While applying the rotation norm, IDBI AMC shall not consider firms to be independent of each other and will treat them as a one single entity, if the firm works under a common management and if there are common linkages between audit firms within the same network.
