The remuneration paid to Mr. Dinesh Pangtey is commensurate with the size of the company and the profile of the persons with respect to the industry the Company operates in.

Pecuniary relationship directly or indirectly with the company, or relationship with the managerial personnel or other director, if any: Mr. Dinesh Pangtey is not directly or indirectly related with any managerial personnel or Director of the Company.

#### 3. Other information:

• Reasons of loss or inadequate profits:

LIC Mutual Fund Asset Management Limited ("AMC") operates its business in highly competitive and regulated Industry. AMC is the Investment Managers to LIC Mutual Fund. LIC Mutual Fund historically is perceived to be a Debt schemes focused fund house wherein the majority of the Asset under Management ("AUM") in skewed towards Debt Funds wherein the Management Fees which is the revenue for AMC is comparatively lesser in comparison to Equity Funds.

• Steps taken or proposed to be taken for improvement & Expected increase in productivity and profits in measurable terms

Continuous efforts are being undertaken to improve the Equity schemes AUM and focus is to attract Equity AUM through Systematic Investment Plans (SIPs). Equity AUM accounts for higher Management fees for the AMC.

• Expected increase in productivity and profits in measurable terms

The Company expects to increase its productivity and profits in the future. The Profit and Loss Statement would show better numbers in the upcoming financial years.

The Board of Directors are of the opinion that the increase in remuneration of Mr. Dinesh Pangtey is in the best interest of the Company owing to his outstanding performance and contributions., the Board recommends the resolution set out in Item No. 4 for approval of the members.

Other than Mr. Dinesh Pangtey and his relatives, none of the other Directors, Key Managerial personnel or their relatives is interested or concerned in the proposed Resolution at Item No. 4 of this Notice.

### INDEPENDENT AUDITOR'S REPORT

# To the Members of LIC Mutual Fund Asset Management Limited

#### Report on the Audit of the Ind AS Financial Statements

## **Opinion**

We have audited the accompanying Ind AS financial statements of **LIC Mutual Fund Asset Management Limited.** ("the Company"), which comprise the Balance sheet as at March 31, 2021, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

# Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board Report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and

using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of
  accounting and, based on the audit evidence obtained, whether a material uncertainty exists
  related to events or conditions that may cast significant doubt on the Company's ability to
  continue as a going concern. If we conclude that a material uncertainty exists, we are required

to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern

• Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

- 1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- **2.** As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - **b)** In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
  - **d)** In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
  - e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report;

g) With respect to the other matters to be included in the Auditor's Report in accordance with requirements of Section 197(16) of the Act, as amended; In our opinion and to the best of our

information and according to the explanations given to us, the remuneration paid by the

Company to its directors during the year is in accordance with the provisions of section 197 of

the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to

the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position

as at March 31, 2021 - Refer Note 28 to the Financial Statements;

ii. The Company did not have any Long-term contracts including derivative contracts for

which there were any material foreseeable losses;

iii. There were no amounts which were required to be transferred to the Investor

Education and Protection Fund by the Company.

# ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT (Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) The Company has maintained proper records, showing full particulars including quantitative details and situation of property, plant and equipment.
  - (b) Fixed Assets have been physically verified by the management during the year and no material discrepancies were identified on such verification.
  - (c) According to the information and explanation given by the management, there are no immovable properties of the company and accordingly, the requirements under paragraph 3(i)(c) of the Order are not applicable to the company.
- (ii) The Company's business does not involve inventories and accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company and hence not commented upon.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii) (a) and (b) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanation given to us, there are no loans, investments, guarantee and securities given in respect of which provisions of section 185 and section 186 of the Act are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits within the meaning of Section 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules,2014 (as amended). Accordingly, the provisions of paragraph 3(v) of the Order are not applicable to the Company.
- (vi) To the best of our knowledge and as explained, Central Government has not prescribed maintenance of cost records under Section 148 (1) of the Companies Act, 2013.
- (vii) (a) The Company is regular in depositing with appropriate authorities, undisputed statutory dues including provident fund, employees' state insurance, income tax, goods and services tax (GST), customs duty, cess and any other material statutory dues applicable to it.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, GST, customs duty, cess and any other material statutory dues applicable to it, were outstanding, at the year end, for a period of more than six months from the date they became payable.

(b) There are no dues with respect to income tax, sales tax, service tax, value added tax, GST, customs duty, excise duty which have not been deposited on account of any dispute, except for details given below:

Name of the statute	Nature of dues	Amount in Rupees	Period to which it relates	Forum where the dispute is pending
The Income Tax Act, 1961	Income Tax including interest as applicable	1,15,97,196	AY 2012-13	Commissioner of Income Tax-Appeals
The Income Tax Act, 1961	Income Tax including interest as applicable	26,34,190	AY 2013-14	Commissioner of Income Tax-Appeals

- (viii) Based on the audit procedure performed and the information and explanations given to us, the Company has not taken any loan either from banks, financial institutions or from the government and has not issued any debentures.
- (ix) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that no fraud on or by the company has been noticed or reported during the year.
- (xi) According to the information and explanations given by the management, the managerial remuneration has been paid in accordance with the requisite approvals mandated by the provision of Section 197 read with Schedule V to the Companies Act, 2013.

(xii) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii)

of the Order are not applicable to the Company.

(xiii) According to the information and explanations given by the management and audit procedures

performed, all transactions with the related parties are in compliance with section 177 and 188

of Companies Act, 2013 and the details have been disclosed in the Financial Statements as

required by the applicable accounting standards.

(xiv) According to the information and explanations given to us and on an overall examination of the

balance sheet, the Company has not made any preferential offer of fully or partly convertible

shares or debentures during the year under review. Accordingly, the provisions of clause 3 (xiv)

of the Order are not applicable to the Company and hence not commented upon.

(xv) Based upon the audit procedures performed and the information and explanations given by the

management, the company has not entered into any non-cash transactions with directors or

persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not

applicable to the Company and hence not commented upon.

(xvi) In our opinion, the company is not required to be registered under section 45 IA of the Reserve

Bank of India Act, 1934 and accordingly, the provisions of clause 3 (xvi) of the Order are not

applicable to the Company and hence not commented upon.

Annexure "B" to the Independent Auditor's Report of even date on the Financial Statements of LIC Mutual Fund Asset Management Limited (Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of LIC Mutual Fund Asset Management Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

# **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility for Internal Financial Controls**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included

obtaining an understanding of internal financial controls over financial reporting with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these financial statements.

# Meaning of Internal Financial Controls Over Financial Reporting with Reference to these Financial Statements

A Company's internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls Over Financial Reporting with Reference to these Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# **Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these financial statements and such internal financial controls were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

#### 1. Company Information and Basis of preparation of financial statements

# 1.1. Company Information

LIC Mutual Fund Asset Management Limited was incorporated on April 20, 1994 under The Companies Act,1956. The registered and corporate office of the company is situated at 4<sup>th</sup> Floor, Industrial Assurance Building, Opp. Churchgate station, Mumbai – 400020.

The principal activity of the Company is to act as an Investment management advisor to LIC Mutual Fund ('the Fund'). The Company manages the investment portfolio and provides various administrative services to the Fund.

The Company also provides portfolio management services ('PMS') to clients under Securities and Exchange Board of India (portfolio managers) Regulations, 1993 (as amended).

The functional and presentation currency of the Company is Indian Rupees (INR) which is the currency of the primary economic environment in which the company operates.

#### 1.2. Basis of preparation of financial statements

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as "Ind AS") as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rule, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and guidelines issued by the Securities and Exchange Board of India (SEBI).

The financial statements have been prepared on a historical cost convention, except for certain items that have been measured at fair values at the end of each reporting period as required by the relevant Ind AS:

- (i) Certain Financial assets and liabilities measured at fair value.
- (ii) Defined benefits plan Plan assets measured at fair value.

#### 1.3. Presentation of financial statements

The company presents its balance sheet in order of liquidity in compliance with the Division III of the Schedule III to The Companies Act, 2013. An analysis regarding recovery or settlement within 12 months after the reporting date (current) and more than 12 months after the reporting date (non-current) is presented in Note 32.

# 2. Significant Accounting Policies

# 2.1. Use of estimates and critical accounting judgements

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

# i) Property, plant and equipment and Intangible assets:

Management reviews the estimated useful lives and residual value of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are as per Schedule II of the Companies Act, 2013 or are based on company's historical experience with similar assets and considering anticipated technological changes, whichever is more appropriate.

### ii) Income Tax:

The company reviews at each Balance Sheet date the carrying amount of deferred tax assets. The factors used in estimates may defer from actual outcome which could lead to an adjustment to the amounts reported in the financial statements.

#### iii) Contingencies:

Management has estimated the possible outflow of resources at the end of each annual reporting financial year in respect of contingencies / claims / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

# iv) Defined benefit obligation:

The cost of post-employment benefit is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases and mortality rates. Due to the long-term nature of these plans such estimates are subject to significant uncertainty.

#### v) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances.

# 2.2. Amendments issued by MCA:

On 24th March 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from 1st April 2021. Key amendments relating to Division III which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015.

The amendments are extensive, and the Company will evaluate the same to give effect to them as required by law.

# 2.3. Property, plant and equipment.

Property, Plant & Equipment are stated at cost of acquisition, including any cost attributable for bringing the asset to its working condition, less accumulated depreciation and accumulated impairment losses, if any. Gains or losses arising from derecognition of property, plant and equipment are measured as difference between the net disposal proceeds and the cost of the assets less accumulated depreciation upto the date of disposal and are recognised in the statement of profit and loss when asset is derecognised. Leasehold Improvements are shown at historical cost less accumulated depreciation.

Subsequent cost incurred on an item of property, plant and equipment is recognized in the carrying amount thereof when those costs meet the recognition criteria as mentioned above. Repairs and maintenance expenses are recognized in Profit and Loss account as and when incurred.

### **Depreciation on Property, Plant & Equipment**

Depreciation on tangible assets is provided on the straight-line method over the useful life of assets estimated by the management. Depreciation for assets purchased/sold during the year is proportionately charged.

As per the requirement of Schedule II of The Companies Act, 2013, the company has evaluated the useful lives of the respective Property, Plant & Equipment which are as per the provisions of Part C of the Schedule II for calculating the depreciation. The estimated useful lives for the assets are as follows:

Property, Plant and Equipment	Estimated Useful Life
Furniture and fittings	10 years
Office equipments	5 years
Computers	3 years
Vehicles <sup>(a)</sup>	5 years
Leasehold improvement	Over the period of lease or useful life, whichever is less

(a) based on management estimates, the useful life as given above represents the period over which the Management expects to use these assets. Hence the useful life for these assets is different from the useful life as prescribed under Schedule Part C of II of the Companies Act, 2013.

Depreciation and amortization methods, useful lives and residual values are reviewed periodically, including at each financial year end.

# 2.4. Intangible assets and amortization

Intangible assets comprising of system softwares, are stated at cost of acquisition, including any cost attributable for bringing the asset to its working condition, less accumulated depreciation and impairment, if any.

# **Amortization of intangible assets:**

Intangible assets are amortized using straight line method over the useful lives as under:

Intangible asset	Estimated Useful Life
Computer software	3 years

# 2.5. Revenue Recognition

Revenue (other than those items to which Ind AS 109 Financial Instruments are applicable) is measured at transaction price i.e. the amount of consideration to which the company expects to be entitled in exchange for transferring promised services to the customer, excluding amounts collected on behalf of third parties. The company consider the terms of the contract and its customary business practices to determine the transaction price. Where the consideration promised is variable, the Company excludes the estimates of variable consideration that are constrained. Ind AS 115 Revenue from contracts with customers outlines a single comprehensive model of accounting for revenue arising from contracts with customers.

## i) Revenue from Operations

Investment management fees are accounted on accrual basis in accordance with the Investment Management Agreement and are dependent on the net assets value as recorded by the schemes of LIC Mutual Fund.

Portfolio management fees are recognised, on accrual basis, in accordance with the terms of agreement with respective clients.

Revenue from advisory services is accounted, on accrual basis, based on the terms of agreement with the clients.

#### ii) Other Income

The profit/(loss) on sale of investments are recognised in the Statement of Profit and Loss on the date of trade and determined using the First-In-First-Out (FIFO) basis for individual security.

Interest income is recognised using the time-proportion method, based on the rate implicit in the transaction.

Dividend is recognised when right to receive dividend is established.

# 2.6. Employee benefits

# i) Short term employee benefits

All short term employee benefits such as salaries, incentives, medical benefits which are expected to be settled wholly within 12 months after the end of the period in which the employee renders the related services which entitles him to avail such benefits are recognized on an undiscounted basis and charged to the statement of profit and loss.

# **Post-employment benefits:**

# i) Defined contribution plan

Provident Fund - The Company contributes to recognised provident fund scheme, which is defined contribution scheme. The company has no further obligation beyond making the contributions. The contributions are recognised on accrual basis and charged to Statement of Profit and Loss.

### ii) Defined benefit plan

Gratuity - Gratuity for employees is covered by Gratuity Scheme with Life Insurance Corporation of India and the contribution thereof is paid/provided for. Provision for Gratuity is made on the basis of actuarial valuation on Projected Unit Credit Method as at the end of the year. Actuarial gain and losses are recognized in full in the other comprehensive income for the period in which they occur. Past service costs both vested and unvested is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring costs or termination benefits.

The retirement benefit obligations recognised in the Balance Sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in the future contributions to the scheme.

# 2.7. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present obligation (legal or constructive) as a result of past event, it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best

estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liabilities is disclosed in the financial statements.

Contingent assets are not recognised, but disclosed in the financial statements, if any. However, when the realization of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognized as an asset.

#### 2.8. Income taxes

Income Tax expense comprises current tax expense and the net change in deferred tax assets or liabilities during the year. Current and deferred taxes are recognized in statement of profit and loss except when they relate to items that are recognized in the comprehensive income or directly in equity, in which case the current and deferred tax are also recognised in other comprehensive income or equity respectively.

#### **Current Income Taxes**

Advance taxes and provisions for current income taxes are presented in the Balance Sheet after offsetting advance tax paid and income tax provisions arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the assets and liabilities on net basis.

### **Deferred Income Taxes**

- i) Deferred Income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of assets and liabilities in a transaction that is not a business combination and effects neither accounting nor taxable profit or loss at the time of transaction.
- ii) Deferred income tax asset is recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and carry forward of unused tax credits and unused tax losses can be utilised.
- iii) The carrying amount of deferred income taxes is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient profit will be available to allow all or part of deferred income tax asset to be utilised.
- iv) Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

v) Deferred tax assets or liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

#### 2.9. Financials Instruments

### i) Date of recognition

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument.

# ii) Initial measurement of financial instrument

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in profit or loss.

# iii) Classification of financial instruments

The company classifies all the financial assets based on business model for managing the assets and the assets contractual terms, measured at either:

- a) Financial assets at amortized cost Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.
- b) Financial assets at fair value through other comprehensive income (FVTOCI) Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.
- c) Financial assets at fair value through profit or loss (FVTPL)

Investments in mutual fund units are measured at fair value through profit or loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition.

# iv) Impairment of financial assets

The company assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

## v) De-recognition of financial assets

A financial asset is de-recognised only when:

- a) The company has transferred the rights to receive cash flows from the financial asset or
- b) Retains the contractual rights to receive cash flows of the financial asset but assumed a contractual obligation to pay the cash flows to one or more recipients.

#### vi) Investment in mutual funds

The company subsequently measures all the mutual fund investments at FVTPL as these financial assets do not pass the contractual cash flow test as required by Ind AS 109 – Financial Instruments, for being designated at amortised cost or FVTOCI, hence classified at FVTPL.

#### 2.10. Earnings per share

Basic earnings per share is computed by dividing the net profit or loss after tax attributable to equity shareholders by weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing the net profit or loss after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

#### 2.11. Other financial liabilities

Financial liabilities are initially recognized at fair value (net of transaction costs incurred). Difference between the fair value and the transaction proceeds on initial recognition is recognized as an asset / liability based on underlying reason for the difference.

Subsequently all financial liabilities are measured at amortised cost.

# 2.12. Offsetting financial instruments

Financial assets and liabilities are offset, and the net amount is reported in the balance sheet where there is legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

#### **2.13. Leases**

The Company has applied IND AS 116 using the prospective approach.

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the company. For leases of real estate for which the company is a lessee, it has elected not to separate lease and non-lease components and instead accounts for these as a single lease component.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of the following lease payments:

Fixed payments

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are nted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Right-of-use assets are measured at cost comprising the following:

- The amount of the initial measurement of lease liability
- Any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- Restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss.

# 2.14. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less.

# 2.15. Segment Reporting

The company's operating segments are established on the basis of those components of the company that are evaluated regularly by the Executive Committee (the 'Chief Operating Decision Maker' as defined in Ind AS 108- 'Operating Segments'), in deciding how to allocate resources and in assessing performance. These have been identified taking into account the nature of products and services, the differing risks and returns and the internal business reporting systems. Basis of such evaluation, the company concluded it operates in a single reportable segment.

# **2.16. Distribution and Scheme Overrun Expenses**

# i) New Fund Offer Expenses

Expenses relating to the new fund offer are charged to Statement of Profit and Loss in the year in which such expenses are incurred.

## Notes to Financial Statements for the year ended March 31, 2021 28 Contingent liabilities and commitments (to the extent not provided for)

<b>3</b>	,	(₹ in '000)
Particulars	As at March 31,	As at March 31,
	2021	2020
Contingent liabilities		
Claims against the Company, not acknowledged as debts	*102,039.68	133,196.42
Commitments		
Estimated amount of unexecuted capital contracts		
(net of advance and deposit)	_	-

- i) The Company is contesting the demands and the management, including its tax advisors, believe that its position will likely be upheld in the appellate process. No tax expense has been accrued in the financial statements for the tax demands raised. The management believes that the ultimate outcome of this proceeding will not have a material adverse effect on the Company's financial position and results of operation.
- (a) It is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings.
- (b) The Company does not expect any demands in respect of the above contingent liabilities due to refunds outstanding for the past assessment years.
- \* Includes Rs 87,808.29 towards LIC Mutual Fund Unit Linked Insurance Scheme (LIC MF ULIS), which is a unique scheme introduced by LIC Mutual Fund prior to SEBI (Mutual Fund) Regulations came into effect. This scheme offers Life Insurance Cover, Accident Cover & Maturity & Loyalty Bonus to the investors. This scheme has been there since last more than 28 years. The scheme offers 5, 10 & 15 years terms with an option of installment payments ie. monthly & yearly frequency In order to keep the eligibility of maturity bonus intact, the investor has to pay all the installments on time i.e., within days of grace as stipulated. If the investor discontinues before the maturity of the term by way of full or part redemption, or on account of death, the maturity/loyalty bonus stands forfeited.

In order to assess the maturity/loyalty bonus liability, an actuarial valuation is done as of Mar 21. As per the actuarial report, the value of the liability is estimated at Rs. 126,053.72 as of Mar 21. Out of this, a sum of Rs. 16,248.85 is due and needs to be funded upon the investor claiming the same. However, in LIC MF ULIS Scheme books, a provision of Rs. 38,245.43 is available as of Mar 21. Since there is a gap between the actuarial stated liability and the provision available in the LICMF ULIS Scheme books to the extent of Rs.87,808.29, a contingent liability of Rs.87,808.29 is disclosed.

#### I. Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimate made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the Indian Accounting standard. An explanation of each level is given below.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. For example: listed equity instruments that have quoted market price.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, units of mutual fund) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

### II. Valuation techniques used to determine fair value

Significant valuation techniques used to value financial instruments include:

The fair values for investment in mutual fund are based on the Net Asset Value ("NAV") declared by respective schemes and fair value of security deposits are based on discounted cash flows using a discount rate.

The carrying amounts of cash and cash equivalent, Bank balances other than cash and cash equivalents, trade receivables, unquoted mutual fund units, other financial assets, trade payables, other financial liabilities are considered to be approximately equal to the fair value.

#### **III. Valuation Process**

The finance department performs the calculations of financial assets and liabilities required for financial reporting purposes. This team reports directly to the Chief Financial Officer (CFO). Discussions of valuation processes and results are held between the CFO and the finance team at least once in a month.

Quoted mutual fund investment have been categorised into level 1 (recurring fair value measurement) and unquoted mutual fund investments are categorised into level 2 of fair value hierarchy. Unlisted equity shares are included in level 3.

## IV. Fair value of financial instrument measured at amortised cost

Fair value of Financial asset and liabilities are equal to their carrying amount.

#### Note

During the periods mentioned above, there have been no transfer amongst the levels of hierarchy.

### Notes to Financial Statements for the year ended March 31, 2021

#### 30 Financial risk management

The Company is exposed primarily to credit, liquidity and price risk which may adversely impact the fair value of its financial instrument. The Company has a risk management policy which covers risk associated with the financial assets and liabilities. The risk management policy is approved by Board of Directors. The focus of the risk management is to assess the unpredictability of the financial environment and to mitigate potential adverse effect on the financial performance of the Company.

The Company's principal financial liabilities comprises of trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include investments, cash and cash equivalents, bank balance other than cash and cash equivalents that are derived directly from its operations and investments.

#### A. Credit Risk

The Company is exposed to credit risk front its operating activities (primarily for trade receivables).

To manage credit risk, the Company follows a policy of providing 0-90 days credit to the customers basis the nature of customers. The credit limit policy is established considering the current economic trends of the industry in which the company is operating.

However, the trade receivables are monitored on a periodic basis for assessing any significant risk of non-recoverability of dues and provision is created accordingly.

Bank balances are held with only high rated banks.

#### Age of receivables that are pass due:

(₹ in '000)

### Notes to Financial Statements for the year ended March 31, 2021

#### C. Market Risk

Market risk is the risk that the fairvalue of future cash flows of a financial instrument will fluctuate because of changes in market price. Market risk comprises of foreign currency risk, interest rate risk and price risk.

### i) Foreign currency risk

The company does not have exposure in foreign currency, hence it is not subjected to foreign curreny risk

### ii) Interest rate risk

Interest rate risk arises from the sensitivity of the financial liabilities to changes in market rate of interest.

The company carries the financial liabilities at amortised cost, hence are not subject to interest rate risk since the carrying amount and future cash flows will not fluctuate because of change in market interest rate.

#### iii) Price risk

The company is exposed to price risk from its investment in mutual funds, classified in the balance sheet at fair value through profit and loss.

The investments held by the company are ancialliary to the investment management business objective.

### Sensitivity to price risk

The following table summarises the impact of sensitivity of NAVs with all other variables held constant. The below impact on the companies profit befor tax is based on changes in the NAVs of mutual funds at balance sheet date.

(₹ in '000)

Sensitivity to price risk	As at March 31	
	2021 2020	
Impact on profit before tax for 5% increase in NAV	30,100.29	24,460.19

Income not subject to tax	(16,054.13)	
Provisions for expenses	2,277.71	
Brought forward unabsorbed depreciation	-	
Current income tax of prior year	-	
Current year profit as per income tax provisions	(1,382.11)	
Tax charge for current year recorded in Profit &	-	
Loss Account		

<sup>\*</sup>The Company had loss of Rs.22,319.18 in FY 2019-20. Hence, reconciliation of total tax charge is not provided.

The Company has elected to exercise the option of lower taxation under Section 115BAA of the Income-Tax Act, 1961, as introduced by the Taxation Laws (Amendment) Ordinance, 2019. Bases which the tax provision has been considered in the current tax, no current year tax provision is required to be made since the company has accumulated losses to set off as permissible under the aforesaid section.

# Deferred tax assets / (liabilities)

(₹ in '000)

Lease accounting	=	1,890.64	-	1,890.64
Financial assets measured at FVTPL	(3.12)	(8,050.99)	(234.74)	(8,288.85)
Total Deferred tax asset / (liability)	8,025.42	(6,956.81)	(234.74)	833.86

(₹ in '000)

Particulars	Opening	Movement for t	Closing	
		Recognised in Recognised in OCI		
		profit or loss		
Property, Plant & Equipment	4,763.91	54.88	-	4,818.80
Provision for gratuity	(2,370.12)	5,729.10	(149.24)	3,209.74
Financial assets measured at FVTPL	9,151.35	(9,154.47)	-	(3.12)
Total Deferred tax asset / (liability)	11,545.15	(3,370.49)	(149.24)	8,025.42

The Company has evaluated the Deferred Tax Asset and Deferred Tax Liability on the eligible components as required under Ind AS 12 – Taxes on income. The net outcome is coming to Deferred Tax Asset. Currently the Company has huge unabsorbed depreciation and carry forward losses under the Income tax laws. The Company has assessed the future position and is convinced to have a reasonable certainty of realizing the accumulated loss in future. However, the Company decided that it would be prudent that the net Deferred Tax Asset should not be recognized in the current year.

#### 34 Capital Management

# A. Risk management

The Company's objectives when managing capital are to

- i) safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders and
- ii) maintain an optimal capital structure to reduce the cost of capital.

B. The capital compositions is as follows:

Et the capital compositions is as for	<b>0115</b> .				
Particulars	As at N	As at March, 31			
	2021	2020			
Total debt (A)	-	=			
Total equity (B)	1,218,408.85	1,158,779.11			

#### C. Net debt reconciliation

The company has not borrowed funds.

#### 35 Proposed dividend

The Board of Directors propose dividend at the rate of 10% for the FY 2020-21.

# 36 Segment reporting

Company is operating under single business segment i.e. investment management, portfolio management and advisory services. Accordingly there is no separate reportable segment and hence no disclosure is made under Indian Accounting Standard 108 - Operating Segment Reporting. Further, segmentation based on geography has not been presented as the company operates only in India.

(₹ in '000)

### 37 Corporate social responsibility

The disclosures as per Rule 9 of Companies (Corporate Social Responsibility Policy) Rules, 2014 is not applicable since the Company doesn't fulfill the criteria as specified under provisions of Section 135 of the Companies Act, 2013.

### 38 Impact of COVID 19 Note to overall market/economy

The company has made an assessment of its liquidity position for the next one year and of the recoverability and carrying value of its assets and receivables as at the Balance Sheet date and has concluded that there is no material adjustment required in the financial statements.

The management believes that it has taken into account, all the possible impact of known events arising from COVID-19 pandemic in the preparation of the financial statements. However, COVID-19 pandemic is an ongoing situation and any estimate of its impact is dependent on the future intensity, spread and duration of the situation.

The company will continue to closely monitor the situation for any material changes which may impact the business.

39 The Code on Social Security 2020 ('the Code') relating to employee benefits, during the employment and post-employment, has received Presidential assent on September 28, 2020. The Code has been published in the Gazette of India. Further, the Ministry of Labour and Employment has released draft rules for the Code on November 13, 2020. However, the effective date from which the changes are applicable is yet to be notified and rules for quantifying the financial impact are also not yet issued.

The Company will assess the impact of the Code and will give appropriate impact in the financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

**40** The previous period figures have been regrouped and re-casted wherever necessary.

#### ANNEXURE B

# NOMINATION & REMUNERATION COMMITTEE POLICY DOCUMENT

# **Background & Constitution**

Pursuant to Section 178 of the Companies Act, 2013 and Rule 6 of the Companies (Meetings of Board and its Powers) Rules, 2014; since the Company has a paid up capital of more than Rs. 10 Crores; the Nomination and Remuneration Committee (NRC) was required to be constituted. Accordingly, the NRC had been constituted at the Board Meeting dated June 21, 2014. The NRC has been constituted at the Board Meeting dated February 07, 2020 with the following members:-

- 1. Mr. Sanjay Muthal
- 2. Mr. Satish K Kamat
- 3. Mr. Kailash Kumar Bang

# **Overall objectives of the NRC Committee**

The Nomination and Remuneration Committee and this Policy shall be in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Clause 49 under the Listing Agreement. The Key Objectives of the Committee would be:

- To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management.
- Formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy relating to the formulation of criteria for evaluation of Independent Director and the Board.
- To recommend to the Board on Remuneration payable to the Directors, Key Managerial Personnel and Senior Management.
- To provide to Key Managerial Personnel and Senior Management reward linked directly to their effort, performance, dedication and achievement relating to the Company's operations.
- To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.
- To develop a succession plan for the Board and to regularly review the plan.
- To assist the Board in fulfilling its responsibilities.
- To implement and monitor policies and processes regarding principles of corporate governance.

# **APPLICABILITY**

- Directors (Executive and Non Executive)
- Key Managerial Personnel
- Senior Management Personnel

#### **DEFINITIONS**

- The 'Act' means the Companies Act, 2013 and Rules framed thereunder, as amended from time to time.
- Board means Board of Directors of the AMC.
- Directors mean Directors of the Company.
- Key Managerial Personnel (KMP) means :
  - Chief Executive Officer
  - Whole-time director
  - Chief Financial Officer
  - Company Secretary
  - Such other officer as may be prescribed.
- Senior Management means personnel of the company who are members of its core management team excluding the Board of Directors including Functional Heads.

Unless the context otherwise requires, words and expressions used in this policy and not defined herein but defined in the Companies Act, 2013 as may be amended from time to time shall have the meaning respectively assigned to them therein.

# Policy for appointment, removal and retirement of Director, KMP and Senior Management

# Appointment criteria and qualifications

- The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board for his / her appointment.
- A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient / satisfactory for the concerned position.

### Term / Tenure

Managing Director/Whole-time Director:

The Company shall appoint or re-appoint any person as its Executive Chairman, Managing Director or Executive Director for a term not exceeding five years at a time.

No re-appointment shall be made earlier than one year before the expiry of term.

# **Independent Director:**

An Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

- No Independent Director shall hold office for more than two consecutive terms of upto maximum of 5 years each, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

- At the time of appointment of Independent Director, it should be ensured that number of Boards on which such Independent Director serves is restricted to seven listed companies as an Independent Director and three listed companies as an Independent Director in case such person is serving as a Whole-time Director of a listed company or such other number as may be prescribed under the Act.

### Removal

Due to reasons for any disqualification mentioned in the Act or under any other applicable Act, rules and regulations thereunder, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the said Act, rules and regulations.

# Retirement

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position/ remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

# FREQUENCY OF MEETINGS

The meeting of the Committee shall be held at such regular intervals as may be required

# **MINUTES OF COMMITTEE MEETING**

Proceedings of all meetings must be minuted and signed by the Chairman of the Committee at the subsequent meeting. Minutes of the Committee meetings will be tabled at the subsequent Board and Committee meeting.

The secretary of this committee will be the Company Secretary of the Company.
